Profil du financement accordé à la musique, 2000-2001
mai 2001

FUNDING TO MUSIC PROGRAMS, 2000-2001

- In 2000-2001, The Canada Council for the Arts provided grants worth **\$21 million** to musicians and music organizations in Canada.
- Funding to individual musicians assists both classical and non-classical musicians in their professional career development goals. In 2000-2001, **49 classical and 49 non-classical musicians received grants totalling \$1.2 million**. Additional programs which fund individual musicians as well as musical groups include grants for sound recording (\$662,600 in 2000-2001) and music touring grants (\$1,178,212 in 2000-2001).
- Within the Canada Council's music grant programs, **58% of all funding in 2000-2001 was awarded to professional orchestras (\$11 million) and opera and music theatre companies (\$1.1 million)**. Thus, grants to music organizations in 2000-2001 received a higher percentage of funding than grants to individuals.
- In terms of Canada Council funding allocations, music received the highest amount of funding of all disciplines. **The music budget of \$21 million comprised 20% of total Council funding for 2000-2001** (see Table 1).

SOME FACTS ABOUT MUSIC IN CANADA

- Statistics Canada's 1998 General Social Survey reveals that Canadians frequently listen to pre-recorded music including CDs, cassettes and records. **A total of 77% of adult Canadians listened to pre-recorded music and nearly 100% of Canadians 15-19 years old reported listening to pre-recorded music in 1998.**¹
- In 1998, approximately one quarter of the albums and singles certified for Platinum, Gold or Diamond statuses were by Canadian artists.²
- Professional Opera Companies of Canada received a \$2.5 million cash infusion in April of 2001 for the Canadian Opera Creation Program. The program was launched with the collaboration of OPERA America to assist in the mounting of new Canadian operas.
- In 1999-2000 the Calgary, Edmonton and Vancouver Operas and the Canadian Opera Company all recorded surpluses.³

FINANCEMENT ACCORDÉ AUX PROGRAMMES DE MUSIQUE EN 2000-2001

- En 2000-2001, le Conseil des Arts du Canada a accordé des subventions d'une valeur de **21 millions de dollars** aux musiciens et aux organismes de musique du Canada.
- Les subventions octroyées aux artistes individuels ont aidé tant les musiciens de musique classique que ceux de musique non classique à poursuivre leurs objectifs d'avancement de leur carrière professionnelle. En 2000-2001, **49 musiciens de musique classique et 49 de musique non classique ont reçu des subsides d'une valeur totale de 1,2 million de dollars**. D'autres programmes sont venus en aide aux musiciens et aux groupes de musique, notamment ceux des subventions à l'enregistrement sonore (662 600 \$ en 2000-2001) et des subventions de tournées de musique (1 178 212 \$ en 2000-2001).
- **En 2000-2001, 58 p. 100 de toutes les subventions attribuées** dans le cadre des programmes de subventions en musique du Conseil des Arts du Canada **ont été allouées à des orchestres professionnels (11 millions de dollars) et à des compagnies d'opéra et de théâtre musical (1,1 millions de dollars)**. L'aide accordée aux organismes de musique a donc été plus importante que celle qu'ont reçue les musiciens individuels.
- De toutes les disciplines artistiques, c'est à la musique que le Conseil des Arts du Canada a consacré la plus grande partie de son budget de financement. **Ainsi, la somme de 21 millions de dollars réservée à la musique comptait pour 20 p. 100 du financement total versé par le Conseil des Arts en 2000-2001** (voir le Tableau 1).

Quelques faits concernant la musique au Canada

- L'Enquête sociale générale de 1998 de Statistique Canada a révélé que les Canadiens écoutent fréquemment des enregistrements musicaux dont des CD, des cassettes et des disques. **Au total, 77 % des adultes canadiens ont écouté des enregistrements musicaux alors que près de 100 % des Canadiens âgés de 15 à 19 ans ont déclaré en avoir écouté en 1998.**⁴
- En 1998, **près du quart des albums et monoplages de platine, d'or et de diamant étaient d'artistes canadiens.**⁵

³ CBC Radio Arts' *Surplus starts Edmonton Opera's new season on the right note*, September 22, 2000.

⁴ Statistiques Canada, *Patterns in Culture Consumption and Participation*, décembre 2000

⁵ Statistics Canada's *Canadian Culture in Perspective: A Statistical Overview*, December 2000

- **Le Conseil des Arts injectera sur une période de cinq ans 2,5 millions de dollars dans la création et la production de nouvelles œuvres canadiennes d'opéra et de théâtre musical.** « Issus d'un partenariat novateur réunissant des compagnies et des professionnels de l'opéra du Canada, les nouveaux fonds seront versés au Programme de création d'opéra et de théâtre musical canadiens, programme constituant une composante du Fonds d'Opéra dans une approche nord-américaine de la création et de la production de nouvelles œuvres d'opéra.
- En 1999-2000, **Les Compagnies d'opéra canadiennes et les opéras de Calgary, d'Edmonton et de Vancouver ont toutes et tous déclaré des surplus budgétaires.**⁶
