Introduction

The *Access to Information Act* (the *Act*) gives Canadian citizens, permanent residents, and all individuals and corporations present in Canada the right of access to records under the control of a government institution subject to the *Act*. The *Act* complements, but does not replace, other means of obtaining government information.

The *Act* requires the head of every federal government institution to submit an annual report to Parliament on the administration of the *Act* following the close of each fiscal year. This annual report is prepared and is being tabled before each House of Parliament in accordance with section 72 of the *Act*. This report summarizes how the Canada Council has fulfilled its access to information (ATI) responsibilities during the fiscal year 2017-18.

Mandate of the Canada Council for the Arts

The Canada Council for the Arts is Canada's public arts funder, with a mandate "to foster and promote the study and enjoyment of, and the production of works in, the arts."

The Council champions and invests in artistic excellence through a broad range of grants, services, prizes and payments to professional Canadian artists and arts organizations. Its work ensures that excellent, vibrant and diverse art and literature engages Canadians, enriches their communities and reaches markets around the world.

The Council also raises public awareness and appreciation of the arts through its communications, research and arts promotion activities. It is responsible for the Canadian Commission for UNESCO which promotes the values and programs of UNESCO in Canada to contribute to a more peaceful, equitable and sustainable future. The Canada Council Art Bank operates art rental programs and helps further public engagement with contemporary arts.

The Council is governed by an 11-member Board. Members of the Board and the Director/CEO are appointed by the Governor in Council. The Council works closely with federal, provincial, territorial and municipal arts and cultural agencies and departments.

A federal Crown corporation created through an Act of Parliament in 1957, the Council reports to Parliament through the Minister of Canadian Heritage. It receives funding from Parliament and its annual budget is supplemented by endowment income, donations and bequests.

Manager, Cabinet and Corporate Secretariat	...holds full delegation authority under the <i>Act</i> and is responsible, with the oversight of the Chief of Staff and Corporate Secretary, for ensuring compliance with the <i>Act</i> , Access to Information Regulations and policy instruments, and providing guidance and training as required.
Access to Information and Privacy (ATIP) Coordinator (1 practitioner)	...holds full delegation authority under the <i>Act</i> and is responsible, with the guidance and oversight of the Manager, for ensuring compliance with the <i>Act</i> , Access to Information Regulations and policy instruments.

The ATIP office coordinates responses to privacy requests, access to information requests and is also responsible for responding to Parliamentary Returns for the Canada Council. The work ranges from processing access to information requests to carrying out consultations with government institutions or third parties, and responding to calls and informal or “re-releases” requests for information, contributing to Info Source, preparing the annual report to Parliament and collecting statistics, and providing ATIP training of Canada Council employees.

This Office provides advice to Canada Council employees as they fulfill their obligations under the *Access to Information Act* and the *Privacy Act*.

Delegation Order

Delegation orders set out what powers, duties and functions for the administration of the *Access to Information Act* have been delegated by the head of the institution, and to whom, pursuant to section 73 of the *Act* and related regulations.

See Appendix B for information on designation and delegation.

Highlights of the Statistical Report for Requests under the *Access to Information Act*

This report is an accounting of Canada Council activities related to the administration of the *Access to Information Act*.

The Canada Council's 2017-18 statistical report on the *Access to Information Act*, from which the data is derived, is provided in Appendix A.

Requests span a range of topics relevant to the Canada Council’s mandate and responsibilities. Frequent topics of interest pertain to the peer assessment process, assessment letters related to specific grant applications, funding to individual professional artists and arts organizations, and contracts related to the administration of the Canada Council’s programs and activities.

Appendix A: Part 1: 1.1; Part 2: 2.4; 2.6; 2.7

HIGHLIGHTS

The 2017-18 request volume is 78% below the previous 3 year average, with the number of requests received declining to 10. Over four years, the average number of ATI requests received annually is 36.

This decrease can, in part, be attributed to transparency and openness through proactive disclosure of information and data on the Canada Council’s website. The following information is made available:

- Explore our data (Excel and CSV formats)
- Peer Assessment Committee Members
- Public feedback process

During 2017-18, the New Funding Model in support of the arts, transformed the granting process and policies of the Canada Council. Requests in the past included access to program information and history related to 3rd parties. Results for the first complete

year of funding may have resulted in a lower volume of ATI requests in the current reporting year.

2014-15	2	60	5	0

Appendix A: Part 1: 1.1; Part 3: 3.2

HIGHLIGHTS

Transfers or redirection of ATI requests to other government institutions are uncommon for the Canada Council. During four years only 1 request was transferred. The Canada Council did receive one transferred request from a federal institution 15 days into the response timeline.

Requests may be carried over into the next reporting period as a result of timing of receipt or consultations carried into the next fiscal year.

HIGHLIGHTS

During this fiscal reporting period academia and public requesters were the largest users of the ATI process searching for statistics and historical funding information. There were slightly fewer competitions for grants during the transition to the Council's New Funding Model, resulting in fewer requests from organizations for program results that include 3rd party information.

Disposition and Completion Time

In 2017-18, a total of 10 requests were closed, with information disclosed in accordance with the provisions of the legislation. Requests carried forward into 2018-19 arrived close to year-end or were subject to the consultation process.

HIGHLIGHTS

Following 3rd party consultations (ATI s. 9(1)(c)), 1 record was *all disclosed*, 2 records were *disclosed in part*, and following consultations under ATI s. 9(1)(b), 1 record was *disclosed in part*. In 1 instance the requested information was exempt under ATI s.26 since it would be published within 90 days.

In instances where *no records exist*, records had been disposed. These records do not need to be preserved for the future archival or historical use of Canadians and were disposed of under the records and disposition policy.

HIGHLIGHTS

The legislation sets timelines for responding to access to information requests allowing for extensions when the response requires the review of a large amount of information or extensive consultations with other organizations.

7 requests were completed in 30 days or less, in compliance with the *ATI Act*. 3 requests required 3rd party consultations, for which extensions were taken. Responses were provided between 61 to 120 days. In one instance legal advice was sought to ensure appropriate application of exemptions.

The average response time to process informal requests is 30 days.

Appendix A Part 2: 2.1, 2.5.3; Part 3: 3.1; 3.2.

Other Requests

The ATIP office processed 9 informal requests (i.e. not subject to the *Access to Information Act*) for a total of 2,839 pages disclosed in whole or in part in the spirit of transparency and open government. 7 of these requests are “re-releases” attributed to the summaries of completed *Access to Information (ATI)* requests. The other informal releases were for previously published information no longer publicly available. Appendix A: Part 1: 1.3

Exemptions

In 2017–18, the Canada Council invoked 3 exemptions as per specific sections of the *Access to Information Act*. The breakdown of the exemptions is as follows:

Provision 19(1) PERSONAL INFORMATION

Subject to subsection (2), the head of a government institution shall refuse to disclose any record requested under this <i>Act</i> that contains personal information as defined in section 3 of the <i>Privacy Act</i> .

	36	17	2

Provision 20(1)(b) THIRD-PARTY INFORMATION

Subject to this section, the head of a government institution shall refuse to disclose any record requested under this <i>Act</i> that contains financial, commercial, scientific or technical information that is confidential information supplied to a government institution by a third party and is treated consistently in a confidential manner by the third party.			
Number of Requests	2015-16	2016-17	2017-18

Number of Requests	2015-16	2016-17	2017-18
	1	2	1

Appendix A: Part 2: 2.2 ; 2.5.2

HIGHLIGHTS

The Canada Council continues to invoke sections 19(1); 20(1)(b); and 26. The majority of information for release contains information about a third party. This can be attributed to the external assessment documentation, which is designed to help the peers make informed recommendations.

Exclusions

The Canada Council did not invoke any exclusion to information to which the *Act* does not apply as described in sections 69 and 70 of the *Act*.

Appendix A: Part 2: 2.3

Fees

During the reporting period, the Canada Council collected \$15 in application fees for 3 requests. The Canada Council also waived \$55 in fees for 7 requests for information related

to the requester. In 4 instances the information was either exempt or the records were no longer preserved in accordance with disposition policies.

Appendix A: Part 4

Consultations and Cabinet Confidences

During 2017–18, the 6 consultations processed from other Government of Canada institutions were completed in less than 15 days.

The requests are related to records that are not proactively disclosed and related to exchanges between the Canada Council and other Government of Canada institutions. The number of pages reviewed has increased from the previous year. Overall, the volume of consultations has fluctuated since 2014-15.

The Canada Council did not receive consultation from other organizations, legal consultations on Cabinet Confidences or requests with the Privy Council Office during this reporting period. Appendix A: Part 5: 5.3; Part 6: 6.1, 6.2

Education and Training

During 2017-18, the ATIP office offered one Access to Information (ATI) training session to new managers. Approximately 12 managers attended the session. The ATIP office provided advice concerning access to information and provided a written brief to the Arts Granting Program newsletter.

The ATIP office continues to act as a source of expertise for Canada Council employees, providing advice and guidance on the provisions of the legislation. The Office was consulted regularly on the disclosure and collection of data, and provided advice to ensure transparency and compliance with the legislation. This included advice on information management and security of information.

Policies, Guidelines, Procedures and Initiatives

The ATIP office disseminated a variety of tools and held face-to-face meetings to share these tools with employees to ensure policy compliance and adherence to procedures for appropriate handling and preparation of responses to ATIP requests. These tools and meetings were instrumental in ensuring that the Canada Council's employees remain aware of their roles and responsibilities related to ATIP requests. Policies and processes where reference to ATI was embedded include:

- 1) Contracts and confidentiality
- 2) Transparency and Open Data
- 3) Review of disposition of files/documents
- 4) Transitory and Operations Records

Complaints, Investigations and Federal Court Cases

No complaints were filed with the Office of the Information Commissioner of Canada under section 32 of the *ATI Act* in 2017-18. Appendix A: Part 7

No investigations were initiated or concluded, nor do any investigations remain outstanding with the Office of the Information Commissioner.

No applications or appeals were submitted to the Federal Court or the Federal Court of Appeal during fiscal year 2017–18. There have been no court cases against the Canada Council in relation to the *Access to Information Act* for several years. Appendix A: Part 8

Monitoring of Compliance

No monitoring was conducted during the reporting period. The ATIP office consults with various sections and levels of personnel when an Access to Information request is received – when requests are considered sensitive, management is advised.

Resources

The Canada Council invested a total value of \$33,225 and 0.32 person years into *Access to Information Activities*.

During 2017–18, the ATIP office incurred \$8,632 in administrative costs (software licenses, professional services fees, office equipment and supplies). Appendix A: Part 9: 9.1; 9.2

These costs do not include resources expended by various divisions of the Canada Council who assist in meeting the requirements of the Acts.

Information Holdings

Info Source: Sources of Federal Government and Employee Information provides information about the functions, programs, activities and related information holdings of government institutions subject to the *Access to Information Act* and the *Privacy Act*. It provides individuals and employees of the government (current and former) with relevant information to access personal information about them held by government institutions subject to the *Act* and to exercise their rights under the *Privacy Act*.

To meet its ATI reporting obligations on the administration of the *Access to Information Act*, the Canada Council, in this reporting period, prepared and submitted, according to requirements:

- Annual reports to Parliament;
- Annual statistical reports;
- Annual review and update of its [Info Source chapter](#).

Reading Room

The Canada Council provides facilities for consulting documents used by employees of the institution in administering or carrying out programs or activities of the institution that affect the public. The term “manual” includes user guides, directives, guidelines, instructions and procedural material. The availability of such manuals allows members of the public to understand how decisions that affect them are made and opens up the decision-making process to public examination. In accordance with [subsection 71\(1\) of the Access to Information Act](#) and [paragraph 8\(3\)\(a\) of the Access to Information Regulations](#), the Canada Council reading room facilities are located at the following address:

150 Elgin Street
Ottawa, Ontario
