Bringing Canadian Arts to Germany

In the year leading up to the 2020 Frankfurt Book Fair—where Canada will be the guest of honour—the German arts and cultural scenes will showcase Canadian creativity.

The Canada Council for the Arts is proud to contribute to Canada’s participation as guest-of-honour country at the Frankfurt Book Fair, in collaboration with federal partners at Global Affairs Canada, Canadian Heritage, and the Embassy of Canada in Germany. This is a unique opportunity to share the diversity of Canada’s artistic, literary and cultural expression with Germany.
