Distribution of Total Grant Funding 2006-07

The Canada Council awards about 6,000 grants annually to artists and arts organizations in hundreds of communities across Canada. Some 85% of funding goes to arts organizations (dance, theatre and opera companies, orchestras, music ensembles, arts festivals, art galleries, book publishers) and 15% to individual artists.

Grants awarded are based on recommendations from peer assessment committees. The primary criterion is artistic merit; arts organizations are also evaluated for such factors as community outreach and financial stability. While funds are not allocated on a provincial or regional basis, there is generally a correlation between the percentage of applications from a given province, region or community and the percentage of funding awarded.
