Data as of March 31st, 2021

... = Not Applicable

- <sup>1</sup> This Corporate Scorecard excludes the Federal emergency support administered by the Canada Council for the Arts in 2020-21 to help alleviate the financial pressures of affected organizations through the COVID-19 Emergency Support Fund for Cultural, Heritage and Sport Organizations. The Canada Council for the Arts launched its New Funding Model in 2017-18, the second year of the doubling of the budget over 2016-21. As a result, methodological changes took place, making some 2017-18 Corporate Scorecard figures (e.g., number of grant applications, grants awarded and types of recipients) uncomparable to figures published in previous years. Furthermore, the New Chapter program, a one-time initiative, attracted an unprecedented number of applications in 2016-17. Figures that should not be compared to 2017-18 are presented in grey in previous Corporate Scorecards.
- <sup>2</sup> Figures were obtained through the Canada Council's Arts Tracking System (ATS), thus, they do not always reconcile with figures in other Financial Statements in the Annual Report as those figures were obtained using a different system.
- <sup>3</sup> An artist, group or organization may receive more than one grant in a given year. For example, an artist or group may receive a project grant and a travel grant; an arts organization may receive a project grant and a core grant. Hence the total number of distinct recipients does not equal to the sum of distinct recipients by type of grant.
- <sup>4</sup> The category "Other Funds" includes the Access Support Fund, the Market Access Strategy for Official Language Minority Communities (OLMC) Fund, the Media Arts Equipment Acquisition Fund, the Games of La Francophonie, the a Commission internationale du théâtre francophone (CITF) and Frankfurt 2020 Initiative.
- <sup>5</sup> The Category "Funding Initiative" includes partnerships with other public and private organizations to advance the intended outcomes of the arts granting programs in ways that are complementary to grants, but that cannot be delivered using the grant application process. One example is the Council's partnership with Poetry in Voice, which advances the outcomes of the Arts Across Canada program.
- <sup>6</sup> This figure includes the National Competition for Amateur Choirs, a payment made to Choral Canada who administers the competition. The figure is not reflected in the Canada Council's Open Data tables.
- <sup>7</sup> These figures include recipients from the "Granting Programs," "Strategic Funds," "Prizes and Fellowships" and "Public Right lending Program" categories. It excludes the "Program Partnerships" category.
- <sup>8</sup> The volume of applications received by the Canada Council was affected by the transition to the New Funding Model in 2017-18 wherein applications were not processed for a brief period of time. This should be considered while comparing fiscal years.
- <sup>9</sup> Peer assessors participating in the "Granting Programs," "Strategic Funds," and "Prizes and Fellowships" categories.
- <sup>10</sup> From 2014-15 onwards, the insured value of instruments is reported in US dollars, as per the insurance contract. In previous years it was recorded in Canadian dollars.
- <sup>11</sup> From 2017-18 onwards, information regarding the Canada Council's designated priority groups was obtained through the self-identification form in the portal. Comparison with data from previous years is not suggested, as the data collection methodology changed.
